Congratulations Rotary Friend Finders!

Congratulations are in order! If you missed this meeting, there was a lot that our Rotary Friend Finders had to be proud of! Not only did they win the Membership Initiative, they were treated to a steak lunch, for all of their hard work. They were the winners with a grand total of 17 points! Way to go! Members of this team are: Captain—Dawn St. Clair-

Davis, Bayard Plowman, Doug Woodard, Mary Adkison, Wendy Harrington, Dave Dexheimer, Susan Till, Matt Olesky, Sally Marquart, and Tamara Reed. Congratulations again! Also, we want to congratulate all of our members for a fantastic job with the Membership Initiative, as it was a full success. Now that our

challenge for new membership is over, we want to stress that we are still accepting new members! Let's keep growing!

An important note to our new incoming members' sponsors: Please make sure you and your new member are together, and let the Board know the date so we can induct our new members!

Stop Polio Now—via text message!

Missouri Polio Text Challenge

Each of the three Missouri Rotary Districts have one week during February or March to generate the most text message donations and raise the most money to **Stop Polio Now.**

The foundation will track the text donations by date and area code.

To make the donation is easy! Text the word **polio** to **90999** and a \$5.00 donation will be made to the foundation and added to your cell phone bill. District 6060 has through

Saturday, March 6 to donate. After you donate, there will be confirmation text messages sent back to you, to confirm your donation. This lets you know your donation made it to the proper place!

Please pick up the phone and Stop Polio Now!

Haiti Relief Fund

Please help us help Haiti. We already have a great foundation for our goal, but we are still wanting to provide the monetary help we can. To date, we have \$260.00 in our Haiti Relief Fund. Our club will match

\$500.00. If you would like to donate to the Haiti Relief Fund, make checks payable to Rotary Foundation. This does not go towards your Paul Harris Fellow, but the Rotary Foundation is collecting the money. Please designate on the memo line of your check if it is to be sent in with the Haiti Relief Fund, or for your Paul Harris Fellow Award.

Thank you for opening your hearts to continue to help us with our goal of eradicating Polio and helping Haiti!
